Each payday, with your consent, the deduction of five dollars (\$5 or as indicated) is made from your pay. Half is a non-tax-deductible contribution to the Foundation; the other half is placed in a prize pool. One hundred (100%) of that prize pool is awarded to the person whose TAG NUMBER is drawn from all eligible participants the day after payday. For each \$5 deduction, you have one tag number in the draw barrel. For example: you pay \$10 per draw you have two tags; you pay \$15 per draw you have three tags...

The Spirit of the North Healthcare Foundation is required by BC Gaming to have a current signed authorization on file. The authorization for the deduction is specified for October 1, 2009 to September 30, 2010.

Chances are 1 in (total tags in the barrel) to win the grand prize
